## To Do: Washington Design Center

26 02 2010

If you haven't been over to the Washington Design center in SW lately a couple of events over the next two months may just be reason enough to go. First up is an event a la the show [Top Design](#) where over 30 WDC showrooms will be transformed to display their finest in outdoor living. Patio furniture and outdoor fabrics will be the center of attention March 22-26...

The event which really caught our attention though is the Find-A-Designer Day event, April 29, 2pm – 6pm. Attendees will get the opportunity to peruse over 60 of the designers showrooms and receive a free 30 minute consultation with a design professionals. The even is free and there will be a cocktail reception, so you know we will be there, what could be better than browsing the latest in interior design while sipping a cocktail?
