

2010 Capital Design Week

Capital Design Week is The Washington Design Center's annual market extravaganza highlighting trends in furniture and design, textiles, color, kitchens and building products. This year's affair will feature industry leaders including magazine editors, celebrity designers, authors and home interior trend experts. Capital Design Week combines informative lectures, showroom events and product debuts into one inspirational, educational, action-packed week.

Tuesday, March 10 - "Green Day"

Wednesday, March 11 - "Furniture"

Thursday, March 12 - "Fabric/Textiles"
